

I, _____, have read and agree to the following rules and standards of conducts. I also understand that I will be subject for immediate dismissal from Covenant Heart Academy and any other disciplinary procedures deemed appropriate if I break any of these rules or standards of conduct.

1. Covenant Heart Academy is a Christian school and abides by all tenets and doctrines outlined in the Bible and by the Statement of Faith of Fresh Oil Ministry of Christ. We expect all students to adhere to these tenets as long as they are enrolled in Covenant Heart Academy.
2. Students will refrain from any sexual activity while enrolled in Covenant Heart Academy. We expect students to follow the Biblical tenet of chastity until marriage.
3. Lying or giving of false witness is strictly prohibited.
4. Physical contact during school hours and on school premises is strictly prohibited.
5. We expect students to be respectful to all students and to behave appropriately to all authority. Talking back, swearing, yelling, or any sort of display of temper is subject to expulsion.
6. Students will adhere to the dress code. No shorts, pants or skirts can be more than 2 inches above the knee. This includes holes in pants. Any imagery that is disrespectful to any race, ethnicity, or gender is not allowed. Any type of demonic imagery (vampires, werewolves, etc.) is not allowed. Only Christian music artist wear is allowed. Students wearing anything deemed inappropriate by the staff will be asked to change clothes. If the article is worn again, the student will be subject to disciplinary procedures. No tank tops (less than 2 inches wide), spaghetti straps, etc. A good rule of thumb is that if in doubt, change.
7. Cheating is grounds for immediate dismissal.
8. Students and parents should handle disagreements according to Biblical standards. If you are unsure of how to handle a problem please ask a staff member. Any type of negative communication outside of Covenant Heart Academy will result in immediate dismissal. Do not air your grievances on social media.
9. Social media is a good tool to keep in touch with friends and family. Students of Covenant Heart Academy agree to refrain from posting sexually explicit material (this includes intimate (such as kissing) shots of boyfriend/girlfriend), vulgar or crude language, swear words, arguments, or any material that would poorly represent Covenant Heart Academy.
10. Students are encouraged to participate in all school functions and to suggest ideas for school activities. All ideas are welcome.
